A FAMILY PRACTICE providing CLASSICAL CHINESE MEDICINE / FIVE ELEMENT ACUPUNCTURE / EASTERN & WESTERN HERBS

## Consent to Treatment

I, (please print) \_\_\_\_\_, do hereby consent to treatments at Jade Mountain Wellness, involving acupuncture and/or herbal medicine. The general purpose of Chinese Medicine is to balance and strengthen the Qi (energy) to address symptoms and their deeper causes, as well as promote well-being. Although rare, adverse reactions to treatment can occur and include, for acupuncture, a short-term exacerbation of existing and past symptoms (usually 12-48 hours), localized swelling, minor bleeding, bruising, discomfort, and dizziness and fainting. With herbs, there can be looseness of stools, upset stomach and other digestive issues that usually subside quickly (within 6-24 hours) once the formula is discontinued.

I am aware I can stop treatments at any time and that all personal and medical information will be held confidential as per patient privacy requirements.

## Financial Policies & Service Fees

### Insurance Policy

Providers at Jade Mountain Wellness are in-network with Blue Cross & Blue Shield of Vermont, United, Empire United, MVP, the VA and most other companies that cover acupuncture in Vermont (with the exception of Cigna) and therefore accept their plans that include acupuncture benefits. We do not commonly bill other insurance plans including Medicare and Medicaid because, even though acupuncture coverage has been included in these programs, acupuncturists are not yet covered providers. If you have another insurance plan or if your referral needs are unique, please inquire with us as to whether we can accept your policy or facilitate in your reimbursement.

### Payment Policy

Even if your insurance covers acupuncture, plans may not cover the services in full or benefits may have been exceeded. Ultimately, you are responsible for payment of your charges in full. Until your insurance benefits are verified by our office, you will be expected to pay for your care at the time of service. At each visit thereafter, you are expected to pay for the estimated charges not covered by your insurance this includes co-pays, co-insurance and any deductible charges. We will notify you of any amounts your insurance fails to pay and you will be expected to pay the balance.

Jade Mountain Wellness accepts cash, personal checks and credit cards (Visa, Mastercard and Discover). Please note that any returned checks are subject to a \$25 service charge. Also, any insurance checks you might receive are to be paid to our office within 15 days of receipt.

Acupuncture and herbs are qualified expenses for most Flexible Savings Accounts (FSA's), Health Savings Accounts (HSAs), and Health Reimbursement Accounts (HRAs). Please ask for a receipt at each visit.

### Cancellation Policy

Because each appointment is scheduled for a single patient, we require 48-hour notice if you need to cancel or reschedule. In the case of personal emergency, sickness or extreme weather, cancellation as soon as possible is acceptable. If 48-hour notice is not given, full payment for the unbillable service is expected for the missed appointment.

### Treatment & Herbal Fees

The fees below are for payment at time of services. If your insurance policy covers acupuncture, your cost will be your copay, co-insurance or deductible for the treatment.

- Initial Acupuncture Treatment – \$150 for about 90 minutes. This first appointment includes a thorough discussion of health concerns and history, a Chinese medical diagnosis including pulse and tongues evaluation, and an acupuncture treatment.
- Each Subsequent Acupuncture Treatment – \$100 for about 60-75 minutes.
- Herbal Medicine (with treatment) – There is no additional cost for the time to formulate herbal prescriptions with acupuncture appointments.
- Initial Herbal Consultation (without acupuncture) – \$110 for about 60 minutes.
- Subsequent Herbal Follow-up (without acupuncture) – \$55 for about 30 minutes
- Customized Herbal Formulas – Usually \$25-35 weekly (roughly \$3.50-5.00 per day)

Jade Mountain Wellness reserves the right to change the terms of its financial policies and fees schedule and to make new provisions if necessary. By signing below, you authorize the release of any medical or other information necessary to process insurance claims, authorize the payment of benefits to the undersigned practitioner for the services described above, and acknowledge that any fees not billable or uncovered by the insurer will be the patient's responsibility.

**I have read and understand the policies and fee schedule listed above.**

## TREATMENT SUGGESTIONS:

In order to maximize the effectiveness of your treatments, we suggest:

### *With acupuncture*

#### *• Before and after treatments:*

- Eat only lightly 60-90 minutes beforehand. However, it is better to eat something close to the time of treatment than to come in very hungry. Eating too much before a treatment will direct your Qi (energy) to your digestive system, possibly limiting the effectiveness of the session.
- Make every effort to not consume alcohol or non-prescription drugs for 24 hours before and after treatment. The body will be working to clear these substances, thereby potentially limiting the ability for healing.
- Avoid extremes in temperature, such as very hot or cold baths or saunas and hot tubs. Avoid vigorous physical and mental exertion. Ideally, the day of the treatment, both before and particularly after the session, will be relatively relaxed.

#### *• During treatments:*

- Most people experience various sensations during sessions, ranging from dull aches to tingling, feelings of lightness and heaviness, and cold and warmth. These are quite normal and part of the process. Many people also feel the flow of Qi (energy) in different parts of the body. Being as relaxed as possible with these sensations will facilitate the process.

### *With herbal medicine:*

- Follow the directions on the sheet given with each herbal formula.

If you have any questions about acupuncture or herbal medicine, please don't hesitate to speak with us.
